exotic, Travelmarvel's Vietnam & Cambodia cruise sails the Mekong River in style. Begin your journey in either Siem Reap or Ho Chi Min City by spending nights at one of their finest resorts before boarding *La Marguerite*. Then sit back and let the world go by in between shore excursions, or get into shipboard life with talks on Southeast Asian culture, visits to the spa, gym and swimming pool or make new friends over drinks and local cuisine.

Special "Insider Experiences" and must-see sites, such as World Heritage-listed Angkor Wat and the beautiful Asian-French city of Phnom Penh

in Cambodia, are included in all Travelmarvel tours. Or you can choose to enhance your journey with select extras that can be booked on tour.

Travelmarvel's Myanmar cruise is a fabulous adventure on the timeless Irrawaddy River aboard the *RV Princess Panhwar*. You'll observe floating gardens, the carved cliffs of the

Akauk Mountains, villages untouched by the modern world, and visit Buddhist temples and the golden Shwezigon Pagoda in Bagan.

If experiencing India is on your bucket list, join an intimate voyage along the sacred Ganges River. Limited to 40 people, it's a unique way to explore India aboard the new, custom-built river ship *RV Rajmahal*.

Relax, and revel in a world both old and new while cruising the iconic rivers of Europe, Russia and the Baltics

From Amsterdam to Budapest (or the other way around), Travelmarvel's European Gems cruise is all about intriguing history and modern-day adventures – it's Travelmarvel's most popular cruise for a reason!

You will be transported through five countries over 15 days on board a premium river ship with plenty of chances to connect with your destination during shore excursions guided by locals.

You'll fall in love with the "Venice of the North" while exploring the 17th century canals and bridges of Amsterdam, and be fascinated by the culture of Germany at Augustusburg

Castle and Falkenlust hunting lodge. The cruise spends two days in Vienna, taking in the elegance of Austria's capital city. Many travellers are surprised and delighted by the enchantment of Slovakia, and the glamour of Budapest – you'll have some postcards to write!

For another side of Europe, the Douro Discovery cruise glides along the Douro river through Portugal's heavenly scenery. Your river ship, the *MS Douro Serenity*, offers world-class facilities, fresh local cuisine and fantastic onboard performances. Or take a longer cruise with an added land journey to include the Spanish cities of

Madrid, Barcelona, Granada and more (think tapas, Gaudi architecture and fabulous nightlife!).

For a journey deeper into the continent, Travelmarvel offers Russian river cruises. Experience the grand canals, rivers and lakes of Russia, the city of Helsinki in Finland or travel onward

into the Baltics. It's your opportunity to explore imperial cities, golden-domed churches and bewitching wooden villages. You'll venture away from the crowds and meet with local people – even for the seasoned traveller there are still hidden gems to discover!

Experience the impressive neo-gothic architecture of the Hungarian Parliament building in Budapest from the comfort of the ship's deck – or head to shore and join an intriguing guided tour of the city.
