LET THE INGREDIENTS DO THE TALKING
Nice & Natural Wholefood Bars are made with a focus on whole and superfood ingredients. Real fruit, superseeds, nuts, grains and cacao all deliver on taste.

A BURST OF APRICOT With no added sugar and only six ingredients in each bar, the delicious Apricot, Sunflower & Cashew bar was inspired by the bright burst of colour and flavour that apricots bring.

LOVE CHOCOLATE? Inspired by the chocolate brownie, the Sunflower, Cashew & Cacao bar is a source of fibre that gives you a hit of chocolate flavour to put a stop to those afternoon cravings.

SUPER HONEY It's that dash of honey in the Superseeds, Almond & Honey bar that gives the sweetness we all love. With only nine ingredients, this bar delivers on texture and fibre with a tasty superseed mix.
